

Federal No Surprise Billing Act

All counseling agencies are required to provide the information listed below about the Federal law on their websites. Solace Counseling includes a Good Faith Estimate Consent Form and a Good Faith Estimate in our new client paperwork, which further explains this legislation that went into effect in 2022.

You have the right to receive a “Good Faith Estimate” explaining how much your medical care will cost.

*Under the law, health care providers need to give **patients who don’t have insurance or who are not using insurance** an estimate of the bill for medical items and services.*

- *You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services. This includes related costs like medical tests, prescription drugs, equipment, and hospital fees.*
- *Make sure your health care provider gives you a Good Faith Estimate in writing at least 1 business day before your medical service or item. You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.*
- *If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.*
- *Make sure to save a copy or picture of your Good Faith Estimate (to be reviewed and signed).*
